DHAIRYA KHEMOT

Computer Science & Engineering Student

Gujarat, India • dhairyakhemot07@gmail.com • GitHub: github.com/dhairyakhemot07-creator

PROFILE

Second-year B.Tech Computer Science and Engineering student at Uka Tarsadia University, interested in software development, web technologies, and Generative AI. Building practical projects while strengthening programming fundamentals in C, Python, and Java.

EDUCATION

Uka Tarsadia University | Gujarat, India
Bachelor of Technology (B.Tech) in Computer Science & Engineering | Currently in second year

TECHNICAL SKILLS

Programming Languages: C, Python, Java, JavaScript
Web Technologies: HTML5, CSS3, responsive web design
Tools & Platforms: Git, GitHub, VS Code, Linux

PROJECTS

Dental Clinic Management System
HTML5, CSS3, JavaScript • github.com/dhairyakhemot07-creator/dental-clinic-project

- Built a responsive front-end web application for browsing dental services, user login, and appointment booking.
- Designed layouts to adapt to mobile and desktop screens; the project is not currently deployed as a live demo.

Personal Portfolio Website
HTML5, CSS3, JavaScript • github.com/dhairyakhemot07-creator

- Created a portfolio site presenting background, technical skills, and project work with responsive styling.
- Added light/dark theme switching, mobile navigation, scroll-reveal effects, and résumé download links.

INTERESTS & PROFESSIONAL DEVELOPMENT

Software development • Generative AI • Emerging technologies • Learning through hands-on projects
